

## Playhouse 395 needs you!

*Ticket sales* cover only a portion of what it takes to bring quality musical performance and dramatic art experiences to our community. Membership contributions and donations from individuals and businesses make it possible for Playhouse 395 to serve by:

- Producing the musical and drama productions you love
- Offering theatre and dance workshops for children to develop skills, self esteem, and a sense of belonging
- Bringing vocational stage opportunities to students and adults
- Supporting additional performance arts events in eastside communities
- Collaborating with local arts organizations and schools to expand the scope of theatre and drama programs
- Revitalizing the Bishop Union High School theatre
- Working towards our long-term goal of building a local performing arts center

*Your continued support makes this work possible!*
